

Sponsorship Agreement

In connection with Golf Downunder, Secret Harbour Golf Academy and the Price family we are looking to raise money with a possible return on investment, for Correy.

The money is going to be used to support his general expenses, travelling and accommodation.

We would like to set up an informal structure where you are invited to sponsor Correy.

All his tournament winnings and expenses will be accounted for & at the end of each year, the profit (i.e. winnings less expenses) will be divided equally between Correy & the investors.

This agreement would stand until, the sooner of - double your money back OR 3 years.

At the end of year 3, our informal structure would cease and all earnings would belong to Correy.

I/We

.....
